

ASH GROVE CEMENT WEST, INC.

Inter-Office Memorandum

Date December 30, 1985

To Erik Voldbaek

From Ken Rone

Copies to _____

Subject F - Activity Report
Week Ending 12/29/85

- 12/15 ①. Advised Paul Wishman that his technical "employment" would cease on 12/31/85.
2. Held Safety Committee Meeting. Avenues will be investigated to improve communications among team.
- 12/15 ③. Removed ^{two} ~~one~~ underground tanks and preparing to remove two others. Will meet with Fire Marshals to investigate moving diesel storage to above ground tank and thus end up with no underground tanks on the property.
4. Have received no clinker cars from Durkee since 12/17/85. Twenty-one cars are on the road and have yet to arrive.
- 12/15 ⑤. Heavy maintenance activity continues as winter overhaul of finish mill systems is in full swing.
6. No accidents. No visitors.
